

PEDESTAL & WALL FAN - INDUSTRIAL

PEDESTAL / STAND FAN - HEAVY DUTY

- ◆ Large air volume and low noise, effective motor
- ◆ Three speeds, chroming and dense guard
- ◆ Optimized alumized aluminum-iron blade structure, two or three blades
- ◆ Suitable for cooling-down temperature in mineral factories, workshops, warehouses and halls etc.

Model	Size	Sweep	Power	Voltage	Frequency	Speed	dB(A)	Airflow M ³ /min

KBPF30HD	30"	30" 75CM	280W	220-240V	50Hz	1350 RPM	86	290 M ³ /min

WALL MOUNT - HEAVY DUTY

- ◆ Full cooling temperature system, motor with a long service life
- ◆ Novel outlook, large air volume, low temperature rise and noise
- ◆ Three speeds, powder, chroming and dense guard
- ◆ Optimized aluminum-iron blade structure, two or three blades
- ◆ Suitable for cooling-down temperature in mineral factories, workshops, warehouses and halls etc.
